FRONT-END DEVELOPER

kerstinejoyg.github.io/portfolio/

 Cebu, Philippines

 +63 916 239 4277

 kerstinegomora@gmail.com

CORE SKILLS

Front-End Development, Responsive Web Design, WordPress, Cross-Browser Compatibility, Performance Optimization, Website QA & Testing, Code Review, Website Maintenance, Troubleshooting, Team Leadership, Developer Mentoring, Project Coordination

PROFILE

Front-End Developer with 9+ years of experience building responsive, cross-browser websites and e-commerce storefronts on HTML, CSS/SASS, JavaScript, jQuery, and WordPress for clients across the United States and Japan. Promoted to Team Lead at Proweaver Inc. based on consistently strong performance, managing and mentoring a team of developers across in-house and outsourced projects. Comfortable independently handling the front-end development of web systems, focusing on user interface, responsiveness, and functionality. Actively learning React and Vue.js and open to Front-End Developer or Team Lead roles.
